

Cycle Terms of Use

1. Bike rack spaces in Cycle are available on a first come, first served basis.
2. To access Cycle, please use the freight elevators.
 - a. Freight elevator clearance to L2 will be added to your access card along with Cycle clearance. Signage is posted to help you navigate the path.
 - b. Freight elevators can be accessed from Sherman Street by using the Garage elevators to the tunnel. Please follow the green bicycle signs along the route.
 - c. Freight elevators can be accessed from Lincoln Street by using the hallway that runs past the Security Operations Center and restrooms on L1.
3. Bicycles are **not** allowed in the main Sherman Street Lobby or any of the passenger elevators, including the Bustle elevators that go down to L2/1700 Club.
4. Additional bike storage is available in the Wells Fargo Center Parking Garage located near the exit gates on level 2.
5. Although Cycle is secured, a bike lock and a padlock for the lockers are highly recommended to secure your belongings.
6. The lockers in Cycle are available on a first come, first served basis.
7. Cycle offers an air pump, a workbench, and various tools so that you can maintain your bicycle. Heavy duty clean-up wipes have been provided for your convenience.
 - a. Please **do not** use the white gym towels for maintenance on your bike. Bike grease destroys these towels, and they must be disposed of.
