About Brookfield Place Toronto

Brookfield Place is one of North America's truly great people places. This landmark address is located in the heart of the financial district and is home to the world's most prestigious financial, commercial and legal firms, as well as the Hockey Hall of Fame. Connected to the underground PATH System, Brookfield Place is steps away from major hotels, retail and entertainment centres including Scotiabank Arena. It is even closer to Toronto's transportation hub, Union Station.

Bounded by Bay, Wellington, Yonge and Front Streets, the 5 1/2 acre, 2.6 million square foot complex combines two architecturally stunning office towers with Toronto's oldest intact streetscape, including the award-winning Allen Lambert Galleria - a six storey pedestrian thoroughfare resplendent in light and glass.
