

Construction Update – June 17, 2025

PROGRESS UPDATE

We are excited to share a progress update of the redevelopment at Suncor Energy Centre! Key structural changes are already paving the way for exciting new experiences within the complex.

01 TERRACE TRANSFORMATION HIGHLIGHTS

- The former outdoor terrace and planters are being reimagined into a vibrant, modern food hall – get ready for new culinary delights!
- The first concrete pour is complete with over 30 truckloads of concrete laying the groundwork for what’s to come.
- The second concrete pour is now in progress, helping form the foundational structure of the future food hall.
- Adjustments within the parkade have also been underway to support the new build, ensuring a seamless integration where the outdoor terrace once stood.
